

Stewardship Committee Meeting Minutes for 07/17/2017

- Meeting opened with Stella Maris Vision/Mission and prayer led by Becky.
- Updated statistics on the stewardship drive were shared. To date, 220 out of 604 or 36.4% have returned a form.
- Updates were given on endowment progress from the endowment planning team. Reviewing Endowment Statement of purpose from Catholic Foundation. Working to build list of potential lead off donors. Tom is working on an organized collection of endowment material for use in recruiting an Advisory Team.
- An idea was proposed to consider having a seasonal witness speaker to appeal to seasonals to register with the parish. We could have people stationed after Mass for people to provide identification information to get the new parishioner process started. We want people to want to be part of what we are doing here at Stella Maris.
- Annual report outlines went out to collect commission updates from the year.
- Volunteer Appreciation Event will be held same place and venue as last year. The date for the event is set for Thursday September 21, 2017. We will ask the commission leaders to help plan again this year. Bernie will handle the advertising and post card process for the event.
- We thanked Jan Liss for her service on the committee the last couple years.
- Meeting closed with Our Father prayer.

Next Meeting is scheduled for: **Monday September 18, 2017 in Sister Bay at 3:00 p.m**
