Updates-

- **“Why Loved Ones Leave the Church” will be presented by Father Girotti on Monday Nov. 6** from 3-4:30 at Fish Creek. Flier was approved with one change; Mark will email to Lorie to be included as bulletin insert this weekend. For the light soup supper (soup, bread, dessert, water, lemonade, coffee) Jan and Sharon will each make a soup for 20, Jan will order bread from Piggly Wiggly, get lemonade and bring dessert. Jan will update the group with RSVP numbers on Oct.31. Jan will remind Joe Trembley of the stipend and confirm the presentation with him.
- **-Advent Small Group-** Stations of the Crib copyright has been cleared with Penny. Mark has converted the study to be printed into booklet form and is working to get the power-point into a DVD format. Mark may also add a few questions to the study. Mark will email the study to potential leaders, Levoy's, Von Vorous', Heather Andersen, Sharon Brabson and the Schorer's, for them to peruse the study and agree to lead a group. In addition to announcement in bulletin.
- **Lenten Small Group-** We will look for a Kerygma study to use for Lenten Small groups. Our second choice of studies to use would be Luke The Good news of God's Mercy from Loyola Press.
- **Holy Book Club-** The current read, “Ordinary Lives: Extraordinary Mission” will be discussed Nov. 13 at 10AM at SB
- **Meeting Christ in Prayer Study-**Next study will be in spring
- **Collaboration with other Parishes** – As Health and Wellness is not interested in collaborating with Pray and Walk, will consider doing this with other parishes. Jan will speak with Pastor Honig (SOTB) and Sharon will talk with Pastor Volpe (Ep Moravian). The ideal would be to have four churches involved and each church would take the lead one week each month. Would plan to begin in late spring.
- **Calendar review-** Golfing with God, a devotional program for men and women, is planned to begin in January with Gene Drachenberg in charge. No plans yet for the next Men's Day of Reflection. The men's scripture group is discussing getting a group together to attend a fall retreat at the Jesuit Retreat House. Angela suggested a Pentecost study and we will look for an appropriate study; this could be the traditional small group format or a different format. Angela suggested carpooling to the St Norbert Abbey for some of their presentations; we will review their calendar and also for the Shrine for good options to promote.
- **Mentoring-** Linda C plans to meet with some youth and ask them what they would like in a mentoring program. Angela knows some young women that she will ask ideas from.

Mark will invite Gene Drachenberg to our next meeting.

Next meeting- Tuesday, November 21 at 9-10 AM at Sister Bay
