Monica shared “moments” regarding the blessing of the Memorials to the Born and Unborn

Review of Minutes from the May 8, 2018 meeting

UPCOMING EVENTS:

-ROSARY FOR LIFE--Every 2nd Tuesday, Baileys Harbor, Noon.

UPDATES:

-MEMORIAL TO THE BORN AND UNBORN—

-Father blessed all the memorials. There were loved ones at each blessing. Very moving to those who attended. Pictures will appear in the bulletin.

-A suggestion was made to inquire if a separate “Memorial to the Born and Unborn” page with pictures and locations can be added to the web site. Monica will pursue.

-There is a website that lists all memorials sites nationwide. Monica will research to add our four sites to the site.

-MOVIE—The Respect Life committee and members from the Health and Wellness previewed the movie “The Euthanasia Deception”. An interesting and thoughtful discussion followed. It was decided not to show parish wide. However the film “Fatal Flaws” will be shown at the August 14 Respect Life meeting with Health and Wellness members. The CCW and others will be invited to attend.

NEW BUSINESS

-Alice brought and distributed an article from the America Magazine “We Need a New Pro-Life Movement. See attached.
